

193B—3.6 (544A,272C) Transition provisions.

3.6(1) The CE provisions of this chapter shall first apply to those registrants whose registrations expire June 30, 2015, and shall thereafter apply to each renewal cycle. The board is transitioning from a biennial renewal cycle to an annual renewal cycle and from a June 30 expiration date to a December 31 expiration date. The board is taking this action as part of a broader national effort by architectural licensing authorities to sustain the same renewal cycles to facilitate mobility and cross-jurisdiction practice.

3.6(2) The last biennial cycle starts July 1, 2014, and ends June 30, 2016, for registrants whose last names begin with A-K. In order to convert all registrants to an annual renewal cycle, the following provisions shall apply:

a. Registrants whose last names begin with L-Z and whose registrations will expire June 30, 2015, shall renew for an 18-month period expiring December 31, 2016. The registration renewal fee shall be \$150 for this 18-month period. When these registrants renew for the January 1, 2017, annual renewal cycle, they shall report as a condition for renewal a total of 18 CEHs taken between July 1, 2015, and December 31, 2016. Thereafter, the provisions of this chapter shall fully apply.

b. Registrants whose last names begin with A-K and whose registrations will expire June 30, 2016, shall renew for a 6-month period expiring December 31, 2016. The registration renewal fee shall be \$50 for this 6-month period. When these registrants renew for the January 1, 2017, annual renewal cycle, they shall report as a condition for renewal a total of 6 CEHs taken between July 1, 2016, and December 31, 2016. Thereafter, the provisions of this chapter shall fully apply.
